LEVEL 2 | BARBERING CERTIFICATE

This certificate is aimed at beginners with no previous experience, or established hairdressing staff who are looking to gain a qualification in barbering.

This course will teach students a number of practices and procedures to offer a professional safe service.

Gain knowledge on Cutting Men's Hair - preparing to cut, providing a cut, assessing male baldness pattern, use of clippers blades, identify hair type, natural hairlines and necklines. Finish a cut and after care.

You will also learn about Cutting Facial Hair - preparing and providing a service suitable for the client. Use of correct equipment, identify potential risk of in-grown hair, provide aftercare advise and care of your equipment.

We provide opportunities for learners to focus on the development of the major functional skills and the wider functional skills in a barbering context, such as communicating with clients, working with others and problem solving; ensuring that you develop a range of skills, techniques, personal qualities and attitudes essential for successful performance in employment as a barber.
