

Introduction to Photography – Course Outline

- This leaflet covers classes commencing on January 27th 2021
- Classes will run each Wednesday night at 7:30pm
- Classes last approximately 90 minutes with breaks to allow for questions
- Students become Associate Members during the course
- Students will be allocated a mentor to guide and advise them during the course.
- Course includes a Saturday “walkabout” with your mentor.
- Option to become a full club member for €60
- We will showcase some of the Students’ images in an exhibition at the end of the course.
