15 Credits

Work Experience Level 5

What is Work Experience?

Work Experience is a Level 5 QQI accredited mandatory module of the Healthcare Major Award which can also be completed as a stand alone module which holds a value of 15 credits on the National Framework of Qualifications. This module is part of the Major award;

- Healthcare Support 5M4339

Who should do this module?

This module is suitable for learners who wish to develop and practice for a range of key generic personal and interpersonal skills which can aid with facing problems in the workplace.

This module will allow you to understand work experience, reflect on your experience and understand the rights and responsibilities of both the employers and employees. You will be able to carry out work-related tasks independently, applying your skills whilst under general direction and supervision.

Programme Contents

- Work-Related Issues and Needs
- Challenges and Opportunities
- Rights and Responsibilities of Employers and Employees
- Skills Audit and Career Plan
- Work Experience Material
- Effective Participation in Work Experience
- Effective Communication Skills
- Reflection

Course Delivery - You have 3 options;

Self-Paced - You can start today

- Enjoy one to one Trainer support through Zoom, choose whether to have your learner pack posted to your home - (€25 optional if opting for the printed pack).
3 x 30 minute check-in / progress sessions with your trainer.

Blended - Learn with a group online

- Each module is delivered over 7 weeks through a blend of hour long online self directed learning and live Zoom sessions. Your learner pack is posted to your home.

Classroom - Traditional location-based training

- Have the course run at your organisation, book a local training room or attend one of our public courses. Each module is delivered in 3 hour sessions over a period of 7/8 weeks. We can tailor the sessions to your organisational requirements.

Entry Requirements

Applicants who hold a Level 4 Certificate, Leaving Certificate (or equivalent) or who have relevant life experience are eligible to apply for this module. Please provide details and attach a copy of CV or Certificate. Learners must reside in Ireland.

Assessment and Certification

Work Experience is assessed through the submission of a portfolio /collection of work and a skills demonstration. Upon successful completion, this module leads to a Level 5 Minor Award on the National Framework of Qualifications.

Career and Progression Opportunities

The successful completion of this module as part of a major award will allow students to pursue a career in healthcare supervisory management. Students who successfully complete this module may use their credits towards completing a higher level of study in the areas of Health and Social Care. If completed as part of a major award, students can use the Certificate as the basis for entry into selected courses in Third Level Colleges and Universities.

Lina

Learner Review

“For me everything was great. I enjoyed all of the three courses I completed. Everything went well and everyone was very helpful. All of my trainers were very kind, understanding and helpful. The courses were useful as it has helped me to complete my QQI Level 5 Award.”
