Supervision in Early Childcare Level 6

What is Supervision in Early Childcare?

Supervision in Early Childcare is an optional module. Your learning on this valuable course will provide you with the knowledge, skills and competence required to supervise others in an early learning and care setting. You will develop knowledge and skills regarding leadership, supervision and management of an ELC organisation including effective supervision, addressing common challenges and developing resolutions. This course will equip you with a range of supervisory strategies to meet the needs of all stakeholders and which meet Aistear and Síolta guidelines and a range of relevant legislation and regulations. It can also be completed as part of the following major award:

- Level 6 Early Childhood Care and Education 6M2007

Who should do this module?

This module is suitable for those who have already obtained a level 5 qualification in Early Childhood Care and Education. This module is also suitable for those who may already work in the childcare sector and would like to improve their skills and knowledge.

This module will provide you with the knowledge, skill and competence to supervise others in providing child care and education in a range of Early Childhood Care and Education (ECCE) contexts.
